Dear Customer:

Enclosed is my latest list of United States Federal Hunting Permit (Duck) Stamps. This list features a large selection of **singles** (mint and used) and **plate blocks**. I specialize in the early plate blocks which are difficult to find in nice condition at the current catalog prices. If you have any duck singles or plate blocks for sale, please contact me.

All stamps are of excellent quality with original gum; any problems are so noted under comments. Plate blocks will not have any separated perforations. A list of definitions and purchasing terms is included below. Photocopies will be sent on request. This list is valid for 4 months. **Time payments accepted.**

I welcome your want-list for duck singles and plate blocks. Also, for better U.S. singles and plate blocks, both unused and used, of which I have an extensive stock. Please send me your E-mail address for receipt of future lists.

I attend all major shows in the New York, Philadelphia, Boston, Washington, DC and California areas. Please stop by if you attend any of these shows.

Thank you, *Tom Jacks*

**DEFINITIONS:** All singles and plate blocks according to Scott catalog. NH=never hinged, LH=lightly hinged, H=hinged. Flat plates of six stamps; rotary plates of 4 stamps. Positions: T=top, B=bottom, UL=upper left, UR=upper right, LL=lower left, LR=lower right.

**TERMS:** Payment with order. Minimum order \$25. Please add \$4.00 per order for postage and insurance. VISA, Mastercard or AM EX accepted (send card #, exp. date, CVV number on back + your phone #). Seven day unconditional return privilege; after 30 days, all sales final. Time payments accepted.
